

FREEDOM OF INFORMATION

This is The County High School Leftwich Publication Scheme on information available under the Freedom of Information Act 2000

The Governing Body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, and Academy's, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

The classes of information which we publish or intend to publish;

The manner in which the information will be published; and

Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for Academies' approved by the Information Commissioner.

2. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

Governors' Documents – information published in Governing Body documents.

Students & Curriculum – information about policies that relate to students and the Academy curriculum.

Academy Policies and other information related to the Academy - information about policies that relate to the Academy in general.

3. How to request information

If you require a paper version of any of the documents within the scheme, please contact the Academy by telephone, email, fax or letter. Contact details are set out below.

Email: **head@leftwichhigh.com**

Tel: **01606 333300**

Fax: **01606 331483**

Contact Address: **The County High School Leftwich, Granville Road, Northwich, Cheshire, CW9 8EZ**

To help us process your request quickly, please clearly mark any correspondence “**PUBLICATION SCHEME REQUEST**” (in CAPITALS please)

If the information you're looking for isn't available via the scheme you can still contact the Academy to ask if we have it.

4. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box, currently £10.00. An item is a self-contained document. When information is requested, the Academy will take account the costs of locating and retrieving the data if it is not readily accessible and/or if the request necessitates extracting and collating information from other documents and sources. If that is the case, staff costs will be calculated at a rate of £25.00 per hour. Before commencing the process, the applicant will be informed about the anticipated costs. The information will be provided once the fee has been received.
