Whilst it is fantastic to be able to hold this event in-person this year, we need to implement a number of restrictions to keep ourselves as safe as possible and each other as safe as possible. Should public health guidance change we will reassess our plans and communicate them accordingly.

<p><b>Minimising the number of visitors in the building and in classrooms and the School Hall</b></p>	<p>Only Year 6 students and their parents/carers are invited. <i>Year 6 students did not have the opportunity to visit us last year. We hope to return to a Year 5 and 6 Open Evening in 2022.</i></p> <p>Two identical events. <i>We have endeavoured to have as equal as possible numbers over the two events rather than all arriving and circulating at the same time.</i></p> <p>A request that, wherever possible, Year 6 students are accompanied by no more than two parents/carers and that siblings do not attend.</p> <p>Please do not arrive early and walk if possible as parking is limited. If you do need to drive please park with consideration of our neighbours. We politely request that all Year 6 students and their parents/carers leave promptly at the end of their event.</p> <p>Please look for signage at each classroom stating the maximum number of people in each room. Kindly do not enter if the room is at full capacity.</p> <p>The Hall will be used for the Principal's address and will be at a lower capacity than in previous years. If all seats become full, unfortunately, we will not be able to let more people in. <i>There will be a recording of the Principal's address made available following the events.</i></p>
<p><b>Hygiene</b></p>	<p>Please sanitise your hands on entering the building and during your visit. <i>There will be sanitiser stations throughout the building.</i></p> <p>Please use tissues, provided, and discard in the bins provided.</p> <p><i>Whilst we are excited to host the in-person events, please be aware that, unlike previous years, the activities in each subject area will, unfortunately, be less hands on.</i></p>
<p><b>Cleaning</b></p>	<p>We will have enhanced cleaning of regularly touched surfaces.</p>
<p><b>Ventilation</b></p>	<p>We will ensure, wherever possible, windows and doors are open.</p>
<p><b>General Advice</b></p>	<p>Do not attend if you or a member of your household:</p> <ul style="list-style-type: none"> <li>• have COVID symptoms</li> <li>• have a positive LFD test</li> <li>• have a positive PCR</li> <li>• have returned from a country that requires quarantine</li> </ul> <p>We advise that all those attending take a COVID LFD test on the day of the event.</p> <p><b>We would appreciate it if all those able to wear a face covering do so whilst in the building.</b></p>

If you are unable to attend or are unable to access the Hall for my address, as mentioned above, a recording will be published, along with curriculum area showcases for you to enjoy at your leisure. Additionally, please follow, like and subscribe to our [Twitter feed](#), [Facebook page](#), [YouTube channel](#) and [website](#) to get a snap shot of the lived experience at The County High School Leftwich.
