

Dear Parent/Carer

As we approach the examination season I wanted to make you aware of the revision materials available for your son/daughter. I have included an afterschool timetable that will run in addition to any intervention sessions that your son/daughter already attends. These will take place in B6 until 4pm.

Revision materials:

- Weekly tasks on MathsWatch.
- Weekly past paper homework.
- PiXL Maths app which has your child's personalised weaknesses on.
- After school revision sessions.

On the morning of the 3 maths exams a breakfast revision session will start at 8am.

Should you have any questions then please contact your child's class teacher in the first instance.

Yours sincerely

Mrs L Measures

Learning Leader: Mathematics
